A Brief Description of the Property

Flying Butler Baker Street's studio and large studio apartments have bespoke furnishing, designed and manufactured by Den Living. All the apartments have their own unique furniture, giving them a different and refreshing feel.

Our Baker Street apartments benefit from their convenient position, located near key Underground Stations including: Baker Street, Marylebone, Edgware Road, Regents Park and more, all within a short walk.

What we love about this neighbourhood:

Flying Butler Baker Street offers our guests the best of all worlds. It is within the major commercial district encompassing Paddington, Marylebone and Fitzrovia, and near to the leading medical centres around Harley Street. Yet it is also close to the amazing shopping and world famous restaurants around Oxford Street and Regent Street and within a short walk to leafy Regents Park and Hyde Park.

Baker Street is the hub for some of London's biggest attractions. Madame Tussauds and the Sherlock Holmes Museum are a five minute walk from the property.
