A Brief Description of the Property

Set within a prime location in the Cathedral city of St Albans we offer 16 serviced apartments ranging from studios, 1 bed and 2 beds.

Each interior designed apartment is finished to a high standard to make your stay as comfortable as possible.

The apartments are ideally located for both train stations in St Albans with direct services to London St Pancras International which can be reached in 18 minutes, Luton airport is 12 miles away, London City Airport is 24 miles away, London Stansted is 26 miles away and London Gatwick 42 miles.

What we love about this neighbourhood:

Abbots House is in easy reach of the town centre of St Albans, so for those who love the buzz of the city, St Albans offers plenty to do, with a bustling city centre retail offering and a lively gastronomy scene. It's no coincidence that the Campaign for Real Ale chose to make St Albans its base. The colourful street market dates back to the 9th century and is an integral part of city life.
