A Brief Description of the Property

Our serviced apartments benefit from their convenient location and nearby green open spaces. Featuring smart, contemporary designs and high-level interior specification, these one and two bedroom apartments offer a fantastic way to live and work in London.

This accommodation features carpets in the bedrooms and hardwood flooring for the main living area. These are just some of the finishes applied for our guests' comfort. Free fibre optic Wi-Fi, 43" Smart TVs are standard across all these apartments.

Situated between the popular neighbourhoods of Whetstone and Hampstead, West Finchley is a residential area in North London, featuring many green open spaces and parks that provide a peaceful contrast to the hustle-and-bustle of Central London.

What we love about this neighbourhood:

With Hampstead Heath 3 miles away, as well as several other local playing grounds – you're sure to find open spaces to break up the routine. Nearby Finchley High Road offers endless options for foodies, with a diversified selection of local and chain restaurants. If it is fun you're looking for, then head off to Finchley's Great North Leisure Park, where you'll be able to: have a splash in one of London's biggest Lidos; go to the Vue multiplex cinema; or put on your best performance at Hollywood Tenpin bowling.
